PRICE LIST cont.

Effective September 1, 2023

FEE POLICY

- **Full payment of fees is due when patients initiate treatment (by day 3 of menses).**
- For PGT-A services, a refundable deposit is required when patients initiate treatment.
- We accept the following forms of payment: debit, certified cheque, bank draft and all major credit cards. We cannot accept cash or personal cheques.
- Medication costs are not included and purchased medications cannot be returned or refunded.
- All fees are in Canadian dollars.
- Funded cycles are available through the Ontario Fertility Program.

CANCELLED OR CONVERTED CYCLE COSTS

- Cycles may be cancelled.
- Private IVF cycle converted to IUI cycle will be charged the sperm preparation fee of \$750 and the cycle monitoring fee of \$850.
- Private IVF cycle cancelled and not converted to IUI cycle will be charged only the cycle monitoring fee of \$850.
- Private FET cycle cancelled will be charged a cycle monitoring fee of \$150.

REFUND POLICY

- Credits can be refunded to patients or put towards future cycles.
- In certain cases, the desired outcomes may not be achieved yet our fees are non-refundable.
- You will be refunded fees for any services not rendered.
- Egg retrieval with no eggs will be refunded \$5,000 of the IVF treatment cycle fee.

I/We understand the fees quotes as per treatment cycle. I/We have read and understand the financial guidelines and fees. I/We understand all fees and payment terms.
